OUR COMPLIANT SOLUTIONS LOOK AFTER YOUR EVERY NEED

TEMPORARY AND CONTRACT PLACEMENTS

Our operational structure has a desirable ratio of Site Supervisors to Placed Staff, to meet your needs. We ensure your peak performance by placing high-quality temporary workers and seasonal, contingency, and project-based staff.

TECHNICAL AND SPECIALISED RECRUITMENT

From red seal artisans to experienced engineers, you can rely on us for all your shutdown needs and technical requirements. We are committed to local sourcing, and we broaden our borders when you need highly specialised skill sets and rare competencies.

PROFESSIONAL STAFFING

We'll source the professional, managerial, clerical, or administrative skills you need and place exceptional candidates across multiple fields, ranging from interns to executives.

PERMANENT PLACEMENTS

Effective recruitment techniques are critical when sourcing the right permanent candidate for your workplace and culture, which requires a unique approach specifically geared to take your business requirements into account.

OUTSOURCING SERVICES

Our Productivity Based Outsourcing Services allow you to maintain your flexibility as we manage your production line output while managing labour resources to gain maximum utilisation. We'll help lower your cost per unit and provide flexible production output.

BUSINESS SUPPORT AND SERVICE

Some of the added support we provide include:

- Health and Safety Assessments
- Human Resource Guidance and Management
- Skills Development & Training Interventions
- Legal & Industrial Relations Services

“ We turn your largest worry and greatest business cost around by making your staffing contingent the driving force in boosting your business profits and growth.”
